

skin moisturizer

Lock in moisture to help your skin look and feel healthy.

- Creamy, non-greasy, natural moisturizer
- Alleviates dry skin, the largest organ of the body
- Nourishes face and body with skin nutrients
- Formulated with high-quality, natural, cold-pressed oils, and emollients (coconut oil and shea butter)
- Manufactured using our unique energizing process
- Great to use as an after-shave

Free from toxins, artificial coloring, and other potentially harmful chemicals.

Biodegradable.

SUGGESTED USE: Apply topically and smooth into skin as often as desired.

For External Use Only.
