

ionic silver gel

"Power of 3" alkaline minerals PLUS the benefits of Ionic Silver Water

Our popular mineral gel for your skin now includes the benefits of our Ionic Silver Water in its formula. Silver in water inactivates certain enzymes needed by anaerobic bacteria, viruses, yeasts, and fungi. Without these enzymes, the anaerobic bacteria, viruses, yeasts, and fungi cannot survive.

SAFE, TOXIC-FREE, Ingredients:

- Fortified with 3 essential alkaline minerals: potassium, calcium, and magnesium
- Ingredients derived from natural plants and minerals
- Biodegradable
- Manufactured using our exclusive energizing process
- A light, non-greasy, natural gel to soothe, tone, cool, and care for the skin
- Stylish hair gel without toxic ingredients
- Decreases rough skin on elbows and heels
- Also, great to use to style your hair!
