Whey Protein Isolates Primary Source

The strong amino acid profile with BCAAs and glutamine represents a premium supplement of whey protein for maximum results.

SUGGESTED USE: Add three (3) level scoops to 4 – 8 fl ounces of your favorite beverage. Add ice cubes and shake vigorously or mix in a blender. For variety, add fruits for a smoothie!

BLENDING TIP: If using a blender to add fruit or ice, blend the fruit and ice first to the consistency desired. Then add the shake powder and blend for a few seconds.

STORAGE: Store in cool, dry place. Settling may occur. Avoid excessive heat. Keep cap tightly closed. Keep out of reach of children.
